

4-Room Penthouse In The Center of Palamós

Corner penthouse with 4 rooms, bright, all on one floor and very well located, in a quiet area of the center of Palamós, just 2 minutes from the market and 5 from the Paseo and the beach.

It has a pleasant living-dining room with a pellet stove that gives it a special atmosphere on winter days and has a balcony to enjoy the summer and winter sun. The rooms are all exterior and bright and are distributed in three doubles and one single. The kitchen is spacious and comfortable and has access to a small laundry balcony. There is a full bathroom and a toilet (with the option of put there a shower).

PVC windows and electric heating.

Second floor without elevator in small community of only six neighbors.
